

Life in a bag

Travel makes one modest.
You see what a tiny place
you occupy in the world.

Life in a bag

HCI

Assignment 1

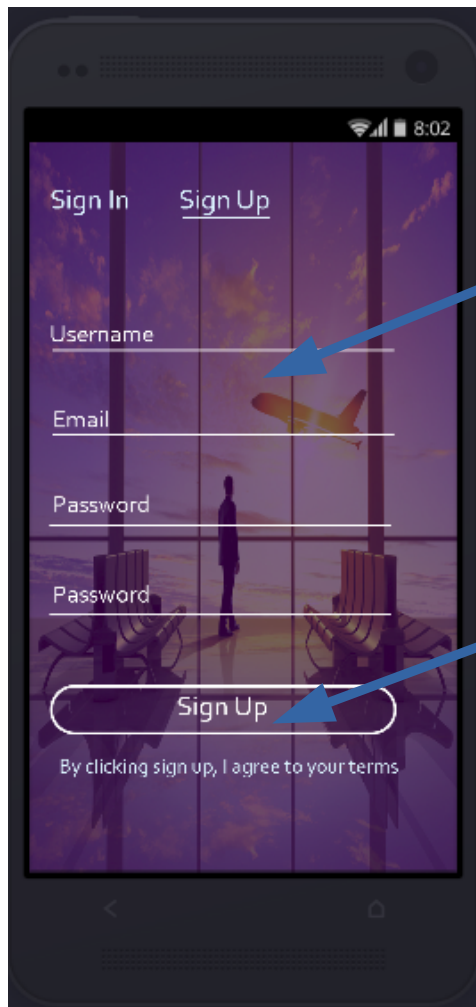

Names:

- Aya Lotfy saeed 4
- Salma Mohamed Elsayed 32
- Salma Yehia Mostafa 34

Application Idea :

This application helps you to know what are the events which will be happened in any country you want, just follow a country then you will know every event with its details such that its date, location and description. You can search for any country and there is photos about different places you can like it and know information about it.

User Guide :

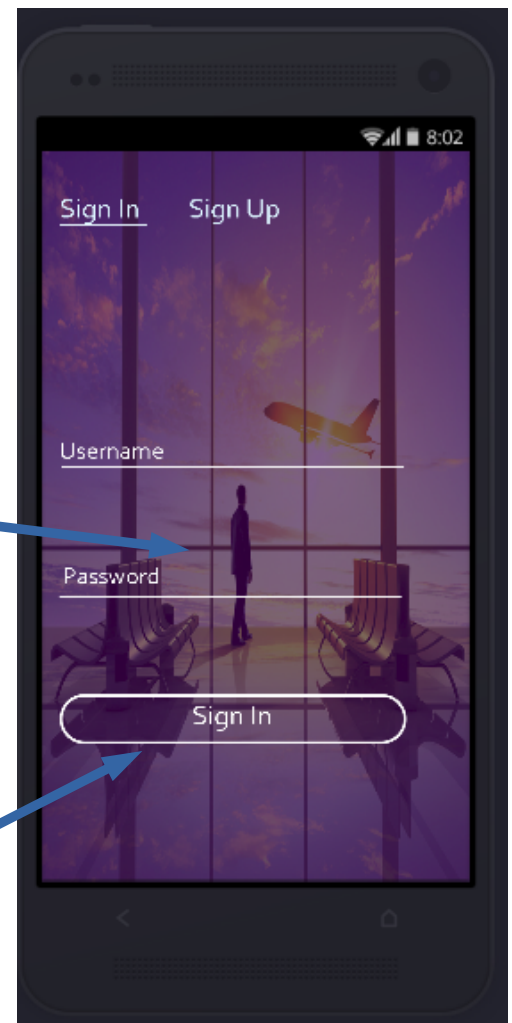

The image shows a smartphone screen with a 'Sign Up' form. At the top, there are two tabs: 'Sign In' and 'Sign Up', with 'Sign Up' being the active tab. Below the tabs are four input fields: 'Username', 'Email', 'Password', and 'Password'. A blue arrow points from the 'Email' field to a text box. Below the input fields is a 'Sign Up' button. At the bottom of the form, there is a line of text: 'By clicking sign up, I agree to your terms'.

First of all, enter your E-mail and password here To create your account For higher security.
